

Eurofins LabTRUST™

Your laboratory assurance scheme

Do you have a laboratory on site? Then LabTRUST™ is for you!

Eurofins LabTRUST™ provides an independent validation of your in-house laboratory practices.

What is it?

• LabTRUST™ is an independent audit provided by experienced auditors expanding on the principles of ISO/IEC17025.

How?

- 1-1.5 day audit duration dependant on scope
- 12 month frequency
- Detailed audit report
- Certificate of compliance

Why do you need it?

- The LabTRUST™ certificate signifies that your laboratory is effectively managed and provides your clients with confidence regarding laboratory processes and test results.
- Assists with product inspection and lab testing requirements.

Why us?
